

Private Apartments

We have available a range of private apartments for students to live in independently while studying with us. They are in various neighbourhoods, some very close to the school, others a short bus ride away. All come fully furnished and equipped for a comfortable stay in Montevideo with private kitchen, bathroom, living space and double bedrooms. Some have balcony or terrace space.

1. The most central apartment is just a couple of blocks away from the main commercial street where you'll find shops, banks, restaurants, and theatres.

2. *La Herradura* is located in *Parque Rodó*, a safe and central area. One of our apartments is on the next street., just a couple of minutes' walk away-

3. *Pocitos* is a fashionable area and has one of the best beaches for swimming and sports in the city. Our apartment is just a few blocks from the beach.
