Cost: U\$S 670

1 week intensive Spanish course in Montevideo with accommodation in the school residence and 1 week horseriding at a ranch in Atlántida with accommodation in a bed-and-breakfast.

The ranch is located in the outskirts of Atlántida, a coastal town just 50km from Montevideo. The landscape you will explore on horseback is made up of low hills, woodland, wetland and beach, with a network of streams, lakes and marshes inhabited by native species of birds and fish.

The ranch owners provide whatever you need to relax and enjoy your time there, as well as information about the local area and technical guidance on all aspects of horseriding and caring for horses.

In the early morning or late afternoon you will go out riding with an experienced Spanish-speaking guide for about 5 hours each day. During the rest of your time you can choose from many different activities: walking, swimming, cycling, going to the beach, fishing, exploring the town.

Uruguay is the perfect place to enjoy, relax and learn! Come and experience horseriding in a beautiful natural environment.
